have a system of payments for Part C services under 34 CFR §§303.203(b)(1), 303.500(b), 303.520, and 303.521 which may include the use of public benefits or insurance, private insurance or family fees, such as a sliding scale. Any family fees collected are treated as "program income" for purposes of 2 CFR §200.307(e) and 34 CFR §303.520(e) and are not included in the State's determination of State and local expenditures for maintenance of effort and non-supplanting purposes of 20 U.S.C. 1437(b)(5)(B) and 34 CFR §303.225(a) and (b).

Note: If the State has adopted new or has revised its existing policies and procedures regarding its system of payments, it must submit these new and/or revised policies and procedures under Item 3.a in Section II.A above.

B. Restricted Indirect Cost Rate/Cost Allocation Plan Information

Pending OSEP approval of restricted indirect cost in Cost Allocation Plan

Under IDEA's non-supplanting provisions in 20 U.S.C. 1437(b)(5)(B) and Part C regulation in 34 CFR §303.225(c), a lead agency may not charge indirect costs to its Part C grant unless the lead agency charges indirect costs through either— (i) A restricted⁶ indirect cost rate that meets the requirements in 34 CFR §§76.560 through 76.569; or (ii) A cost allocation plan that meets the non-supplanting requirements in paragraph (b) of this section and 34 CFR part 76 of EDGAR.

Check the applicable status below (more than one check mark may be necessary) and enclose appropriate documentation for this Federal Fiscal Year.

☐ No indirect costs are charged to the Part C grant. The total amount of the Federal Part C grant is used for allowable direct costs.

☐ The lead agency is an State educational agency (SEA) and works directly with the U.S. Department of Education's Indirect Cost Unit to ensure that indirect costs are only charged on a restricted basis to the State's IDEA Part C grant. The State has a final restricted indirect cost rate agreement that is approved for the period _____ through _____. (Attach a copy of the most recently approved restricted indirect cost rate agreement or cost allocation plan or other applicable indirect cost documentation.)

☐ The lead agency is not an SEA and has a final restricted indirect cost rate that has been approved by the State lead agency's cognizant Federal agency and is in effect for this FFY (ending on June 30, 2024) The period of approval for the restricted indirect cost rate agreement is _____ through _____. (The State must attach a copy of the approved restricted indirect cost rate agreement.)

☐ The lead agency is not an SEA and has either a provisional or final restricted indirect cost rate that expires or expired on _____ and the State is in the process of negotiating a new restricted indirect cost rate agreement that will be in effect for the period _____. [attach proposal].⁷ The State lead agency will continue to charge or bill the Part C grant using the

⁶ Charging indirect costs on a "restricted" basis is a key part of implementing the IDEA Part C requirement in IDEA section 637(b)(5)(B), which requires that federal funds be used to supplement (and not supplant) "State and local funds expended for infants and toddlers with disabilities and their families. The restricted indirect cost rate formula is described at 34 CFR §§75.564 and 76.565. The formula limits the general administrative costs that can be included in the indirect cost pool (numerator) and requires adjustments to the modified total direct cost (MTDC) base (denominator).

⁷ A "provisional" indirect cost rate is a temporary rate established for a future prospective period of time to permit budgeting, obligations, and payment of funds by awarding agencies until such time as the actual indirect costs can be determined and a final rate is established for the applicable period; provisional rates are subject to adjustment by issuance of a "final" rate based on actual indirect costs incurred for the period (usually the organization's fiscal year).

provisional or previously approved final restricted indirect cost rate until a new rate is negotiated and approved by the State's cognizant Federal agency, at which point the State lead agency must make appropriate adjustments for applicable FFYs. The State acknowledges that a final restricted indirect cost rate may result in an adjustment of the final audited expenditures allowable to be charged to the Part C grant and the Department's approval of this FFY Part C application with an expired or provisional restricted indirect cost rate does not constitute approval of that rate as the final rate for the lead agency for this FFY. When a final restricted indirect cost rate is approved, the lead agency must submit to OSEP: (1) a copy of the "final" restricted indirect cost rate agreement; and (2) details of adjustments made to past GAPS draw downs in light of the "final" rate. (The State must attach a copy of the previously approved restricted indirect cost rate agreement.)

- X The lead agency is not an SEA and has a final cost allocation plan that has been approved by the State lead agency's cognizant Federal agency, which is _____. The cost allocation plan charges costs only on a restricted basis and has also been approved by ED's Indirect Cost Unit. It is in effect until _____ [insert date or note until amended] for this Federal fiscal year (FFY) (ending on June 30, 2024). (The State must attach a copy of the approved cost allocation plan and approval documentation from both the lead agency's cognizant Federal agency and ED's Indirect Cost Unit.)

6. The assurance that Part C funds shall not be used to satisfy a financial commitment for services that would otherwise have been paid for from another public or private source, including that Federal Part C funds:
 - a. Are not commingled with state funds and
 - b. Are used to supplement the level of state and local funds expended for infants and toddlers with disabilities and their families and in no case to supplant those state and local funds.
 7. The allowance to use federal Part C funds in order to prevent a delay in the timely provision of early intervention services in those cases when there is a pending reimbursement from an agency or entity who is ultimately responsible;
 8. Monitoring of funds and assuring the federal Part C funds are encumbered and expended within the required timelines; and
 9. The development and annual submission of the federal Part C grant, including the budget.
- B. The Birth to Three Early Intervention Program assumes the fiscal responsibilities noted above through its annual Part C application to the Office of Special Education Programs (OSEP).
- C. The Birth to Three Early Intervention Program:
1. Does not elect to include in its grant application the option under 34 CFR 303.211 and
 2. Does not make use of Part C funds for the provision of free appropriate public education (FAPE) to toddlers with disabilities from their third birthday to the beginning of the following school year.
- D. The Birth to Three Early Intervention Program does not provide services for at-risk infants and toddlers but does use federal Part C funds to ensure an effective, interagency child find system.
- E. Fiscal Controls
1. The Birth to Three Early Intervention Program ensures that fiscal control and fund accounting procedures have been adopted as necessary to ensure proper disbursement of, and accounting for, federal funds paid under Part C of IDEA.
 2. The Birth to Three Early Intervention Program maintains a policy in effect pertaining to contracting or making other arrangements with public or private service providers to provide early intervention services. The policy includes:
 - a. A requirement that all early intervention services provided by the Birth to Three Early Intervention Program and its intra-agency and interagency partners must meet the requirements defined in these policies;

- b. The mechanisms that the Birth to Three Early Intervention Program uses in arranging for these services, including the process by which contracts or other arrangements are made;
- c. The basic requirements that must be met by any individual or organization seeking to provide these services; and
- d. The Birth to Three Early Intervention Program assurance that when arranging for services, State Procurement policies are followed.

F. The Birth to Three Early Intervention Program maintains procedures that:

- 1. Provide, or purchase through contracts, early intervention services as defined in *Section 16: Early Intervention Services* of these policies and procedures, from early intervention service providers that meet the qualifications as defined by the Birth to Three Early Intervention Program in *Section 17: Comprehensive System of Personnel Development and Personnel Standards* of these policies and procedures;
- 2. Establish and maintain necessary cost accounting systems according to general accounting principles and Delaware's Office of Management and Budget (OMB) *Budget and Accounting Policy Manual* to properly record, and allocate separately, the revenue and expenses for federal Part C of the IDEA funds, state-funded early intervention services, Medicaid funds, and private health insurance funds that are billed through the Birth to Three Early Intervention Program – Child Development Watch, local funds, and other funds used for the purchase of early intervention services; and
- 3. Ensure that Part C of IDEA funds are:
 - a. Used only as payor of last resort;
 - b. May be used to reimburse a parent for copayments and deductibles for early intervention services documented on his or her child's IFSP; and
 - c. For purposes of accounting, not commingled with any other funds received.

G. ~~The Birth to Three Early Intervention Program~~ DHSS maintains a signed interagency agreement between EACH OF the following state agencies that have financial and/or service provision responsibilities for infants and toddlers in the Birth to Three Early Intervention Program:

- 1. Department of Education;
- 2. Department of Services for Children, Youth, and Their Families; and
- 3. ~~Department of Health and Human Services~~ **DHSS**.

H. The Birth to Three Early Intervention Program maintains methods for resolving intra-agency or interagency disputes about early intervention payments, services, or other matters to ensure that there is a timely resolution of the issues and that no services for a child or family enrolled in the Birth to Three Early Intervention Program are delayed or denied because of the dispute between agencies.

- I. The Birth to Three Early Intervention Program requires that any early intervention program or provider agency that expends \$750,000 or more during the program or agency's fiscal year in federal awards shall have a single or program-specific audit conducted for that year.
- J. The Birth to Three Early Intervention Program ensures that it:
 1. Makes reports in the form of and containing the information that the OSEP may require; and
 2. Keeps records and affords access to those records as OSEP may find necessary to ensure compliance with the requirements of Part C of IDEA, the correctness and verification of reports, and the proper disbursement of funds provided under Part C of IDEA.

Procedures

PR-A In circumstances related to interagency or intra-agency disputes about fiscal matters, the Birth to Three Early Intervention Program shall adhere to the following process:

- ~~1. During a dispute, the Birth to Three Early Intervention Program is responsible for assigning financial responsibility to the appropriate agency, dependent upon the facts and nature of the situation.~~
- ~~2. If during the course of the resolution of the dispute, it is determined that the assignment of financial responsibility was inappropriately made, then the Birth to Three Early Intervention Program shall reassign financial responsibility to the appropriate agency and make arrangements for reimbursement of any expenditures incurred by the agency that was originally assigned financial responsibility.~~
- ~~3. Through the dispute resolution above, the Birth to Three Early Intervention Program ensures that services are provided to children who are eligible for the Birth to Three Early Intervention Program and their families in a timely manner regardless of disputes regarding financial or other responsibilities.~~
1. DHSS AND THE INTERAGENCY PARTNERS SHALL IMPLEMENT THE PROVISIONS OF AN MOU IN ORDER TO ACHIEVE TIMELY RESOLUTION OF DISPUTES BETWEEN DHSS AND DOE ABOUT PAYMENTS FOR A GIVEN SERVICE, OR DISPUTES ABOUT OTHER MATTERS RELATED TO THE STATE'S EARLY INTERVENTION SERVICE PROGRAM.
2. WHEN SUCH A DISPUTE ARISES, DHSS'S IDEA PART C COORDINATOR AND THE INTERAGENCY PARTNER'S DIRECTOR, SHALL PROMPTLY MEET TO ATTEMPT RESOLUTION OF THE DISPUTE. IF DHSS'S IDEA PART C COORDINATOR AND THE INTERAGENCY PARTNER DIRECTOR, OR DESIGNEE(S), ARE NOT ABLE TO RESOLVE THE DISPUTE WITHIN TEN CALENDAR DAYS, THEY SHALL FORWARD THE ISSUES TO THE OFFICE OF EACH AGENCY'S CABINET SECRETARY. IF THOSE OFFICES ARE NOT

ABLE TO RESOLVE THE DISPUTE WITHIN TEN CALENDAR DAYS, THEY SHALL SEND A COLLECTIVE MEMO REFERRING THE DISPUTE TO THE GOVERNOR, OR DESIGNEE, WHO WILL ISSUE A FINAL DETERMINATION, WHICH DETERMINATION WHICH SHALL BE BINDING UPON DHSS AND THE INTERAGENCY PARTNER.

3. WHEN DISPUTES ARE UNDER CONSIDERATION, DHSS SHALL ENSURE THAT EARLY INTERVENTION SERVICES FOR THE CHILD AND FAMILY ARE TIMELY PROVIDED WITHOUT DELAY PENDING RESOLUTION OF THE DISPUTE BETWEEN DHSS AND DOE, AND SHALL:
 - a. ASSIGN FINANCIAL RESPONSIBILITY TO AN AGENCY OR WILL SEE THAT SERVICES ARE PAID FOR IN ACCORD WITH "PAYOR OF LAST RESORT" PROVISION;
 - b. REASSIGN FINANCIAL RESPONSIBILITY UPON THE RESOLUTION OF A DISPUTE IF THE LEAD AGENCY DETERMINES THE ORIGINAL ASSIGNMENT OF FINANCIAL RESPONSIBILITY WAS INAPPROPRIATE; AND
 - c. MAKE ARRANGEMENTS FOR REIMBURSEMENT OF EXPENDITURES INCURRED BY THE AGENCY ORIGINALLY ASSIGNED RESPONSIBILITY. (34 CFR §303.511(C)(3)).

PR-B. The Birth to Three Early Intervention Program shall enroll early intervention service providers who agree to provide services to eligible children and families and utilize all available funding sources so that the federal Part C funds are the payor of last resort.

~~PR-C. When possible, the two programs will encourage early intervention service providers to participate in the Medicaid managed care provider network.~~
